Jaime:

As discussed, attached is the contact for Rick Calinski, NIPSCO Public Affairs Manager. They had questions about lead levels in the USS Lead Superfund Zone in light of utility work they need to do in the area. He asked for a standing conference call to talk about NIPSCO's issues in the Superfund area. I gave him a copy of the Data Sharing agreement, and told him I would get back to him and touch base with the EPA about his request.

Thanks,

Carla
